PROJECTS

Portfolio Website **React, Tailwind CSS, Node.js, MongoDB** — **March 2025**

- Designed and developed a responsive personal portfolio website showcasing projects, skills, and achievements.
- Implemented responsive design principles to ensure optimal viewing experience across various devices.
- Optimized website performance through efficient coding practices, resulting in faster load times and improved SEO.

Job Auto Filler Extension **React, Tailwind CSS, Node.js, MongoDB, JWT** — **JAN 2025**

- Developed a Chrome extension that automatically detects and fills job application form fields.
- Collaborated with team members as part of the AASF Winter Project initiative.
- Integrated secure backend API using Node.js and MongoDB for user data management.
- Implemented JWT-based authentication system to ensure secure access to application data.
- Utilized **PDF2JSON** for parsing and extracting structured data from uploaded resumes.
- Managed secure document storage and retrieval using **Cloudinary** integration.
- Applied Tailwind CSS for creating an intuitive and responsive user interface.

Online Code Editor **React, Node.js, Socket.io, Tailwind CSS** — **March 2025**

- Built a real-time collaborative code editor supporting multiple programming languages.
- Implemented Socket.io to enable seamless real-time code sharing between multiple users.
- Enhanced user experience with syntax highlighting and code linting features.
- Designed responsive interface for optimal usability across device types.

ACHIEVEMENTS

- Secured **98.7 percentile** in JEE Main 2023.
- Achieved **All India Rank 14,512** in JEE Advanced 2023.

EXTRACURRICULAR ACTIVITIES

- Won 1st place in Cricket at URJA 2025, demonstrating leadership and teamwork skills.
- Represented institute at the prestigious All India Inter-IIIT Cricket Tournament, Gwalior 2025.
